ZoneF	No references.	(1) Wine refs: [149]

Tasting Preferences:

Based on wine descriptors, your wine tasting preferences are distributed as follows:

Recommendation

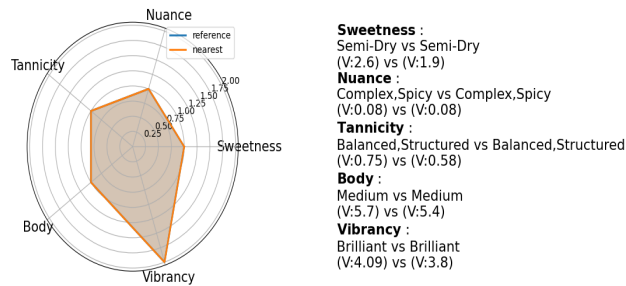

As you have no preference between red and white wines, I am providing a recommendation for each type.

I recommend a red wine reference from ZoneC: #3, which is very similar to the red wine reference #410 also from ZoneC.

I recommend a white wine reference from ZoneA: #6, which is very similar to the white wine reference #860 also from ZoneA.

Profiles are shown below.

Taste comparison between red wines: #410 and #3 (Zone_C)

Taste comparison between white wines: #860 and #6 (Zone_A)
